

ANUJ PUROHIT

Programmer

📞 8130984358 ✉ anujpurohit6@gmail.com 🔗 Anuj_16 📍 Mohan Garden

SUMMARY

"Proficient in Python programming and its extensive libraries, I have developed a solid foundation in implementing machine learning models and automating tasks. I have also gained experience in cloud computing with AWS, enabling me to build and manage scalable applications. Currently, I am expanding my skill set in web development, aiming to integrate back-end services with a strong focus on front-end design and user experience."

EDUCATION

Bsc Hons electronics

Delhi University

📅 09/2023 - 2027

LANGUAGES

English
Proficient

Hindi
Native

EXPERIENCE

Video Editing Intern

Budding Mariners

📅 11/2024 - 01/2025 📍 Online

A Educational YouTube channel regarding Merchant Navy
